**When to use.** PJC 115.3 should be predicated on a “Yes” answer to PJC 101.2 and may be adapted for use in most breach-of-contract cases by the addition of appropriate instructions setting out legally available measures of damages. See PJC 115.4 and 115.5. If only one measure of damages is supported by the pleadings and proof, the measure may be incorporated into the question.
